

Wickham Bishops Neighbourhood Plan

Wickham Bishops Business Survey (September 2017)

The Wickham Bishops Neighbourhood Plan steering group is gathering information from businesses within the parish about their current and future development aims.

Local business owners are invited to complete the survey, as are residents who work from home or are self-employed.

The evidence gathered will be used to inform the policies within the plan regarding infrastructure to support sustainable local business development.

Thank you very much for contributing to the survey.

The survey is on Kwik Survey which can be accessed via this link:
