GREY WHEELED BIN

FOR HOUSEHOLD WASTE

(That cannot be recycled or composted)

Polystyrene

Nappies, pads,
used tissues &
wipes

Hard plastics

Wallpaper

Pet waste and
bedding

Pet food
pouches

NO THANKS: Pink recycling sacks, Vapes, batteries, asbestos, builders' waste, soil/turf/garden waste, hardcore, commercial waste, electrical items, food waste, glass bottles and jars.

Did you know

We don't collect extra bags of waste and all waste must be contained in the bin with the lid shut. Please remember that pink sacks are for recycling only and your wheeled bin will not be emptied if it contains pink recycling sacks.

FOOD WASTE BIN

FOR FOOD WASTE ONLY (WEEKLY COLLECTION)

Meat, fish & bones
(raw & cooked)

Coffee
grounds

Egg shells

Tea bags

Fruit & veg
peelings

Mouldy food

Pet food

**NO
PACKAGING OF
ANY KIND**

NO THANKS: Liquids, oil, packaging, pet bedding

Did you know

The average family in the UK wastes £720 worth of food every year – that's around £60 per month.

PINK RECYCLING SACKS

Do not use for refuse or garden waste as this will result in your bin not being emptied

FOR RECYCLING ONLY (Clean, dry and securely tied)

LIDS
INSIDE

Food tins & cans

Foil & foil trays

Empty aerosols
(LEAVE LIDS ON)

Paper, card & junk mail

Greeting cards & wrapping paper

Food and drinks cartons

Plastic tubs, trays, pots & clean plant pots (not black)

Plastic bottles
(LEAVE LIDS ON)
Toothpaste tubes

Plastic bags and wrappings

NO THANKS: Nappies, vapes, batteries, food, glass, wet wipes, hard plastic, polystyrene, food/food residue, wallpaper, takeaway cups, clothes, tissues, kitchen roll, PPE (disposable gloves, face masks)

RECYCLING BOX FOR GLASS

FOR GLASS BOTTLES AND JARS

Glass bottles

Glass Jars
(no food residue)

PLEASE
DO NOT
OVERFILL

Did you know

Glass can be melted down to make new glass products over and over again – it is 100% and endlessly recyclable

NO THANKS: Drinking glasses, picture or window glass, mirrors, lightbulbs and fluorescent tubes, pyrex or ceramics, glass candles

GREEN WHEELED BIN (Subscription required)

FOR GARDEN WASTE ONLY

Tree branches
(small)

Grass

Leaves

Flowers
& weeds

NO THANKS: Food, pet bedding, plastic bags, turf, soil, invasive weeds, packaging of any kind

Interested in joining our popular garden waste service? Visit maldon.gov.uk/garden for further information and to apply.

Did you know

Your garden waste is made into compost and is used locally as a soil improver.

Batteries and vapes

Batteries are used in our everyday life providing a convenient power source for many of our devices. Please dispose of your batteries and vapes responsibly. Never put them in your general refuse or recycling as during normal waste processing they may become damaged which could cause them to ignite.

For more information on how to safely dispose of your batteries and vapes visit www.recycleyourelectricals.org.uk

Other services

Not sure what to do with bulky waste & electrical items?

Find out more about our bulky waste collection service at www.maldon.gov.uk/waste

Did you know that we offer a kerbside textile collection service?

Textiles are collected Thursday weekly. This is now a bookable service. For more information and to book a collection visit www.essextextiles.co.uk

To find out how to recycle more, such as pringle tubes, batteries, coffee cups and more, visit www.recycle-more.co.uk

For more information on your recycling & refuse collections go to www.maldon.gov.uk/waste
