<b>MINUTES OF ANNUAL ASSEMBLY OF THE PARISH</b> <b>held on Tuesday 3<sup>rd</sup> May 2016 at 8.45pm in the Village Hall Small Hall</b>	
<b>16A/05</b>	<p><b>A Presentation from County Councillor Mr. Rodney Bass</b></p> <p>County Councillor Bass began by describing the changes he had witnessed in Wickham Bishops from the time he entered public service, highlighting the growth in population, dwellings and traffic. He contrasted the offerings of the local shops then and now, and observed that despite the changes in shopping habits, the village still supports two pubs.</p> <p>The County Councillor gave a potted history of his differing roles in district and, latterly, county councils and his long-term association with Great Totham parish. His most recent appointment was to Cabinet Member for Infrastructure for Essex County Council.</p> <p>In this role, the County Councillor answered questions from the audience. He explained that, regrettably, enforcement of speed limits was a Policing issue, but he was pleased to announce to the Assembly that he would be progressing certain highways enhancements to help to calm the traffic through Wickham Bishops:</p> <ul style="list-style-type: none"> <li>• Three (later confirmed as four) additional poles and two moveable speed indicator signs for Wickham Bishops, in recognition of the active Speedwatch scheme;</li> <li>• An extension to the 30mph zone in Church Road and the possibility of further slight extensions around the village should these be requested by the community;</li> <li>• A provision for £10,000 for design and modelling of two gateway build-outs along The Street to slow traffic and to facilitate pedestrian crossing, possibly outside Valerie Loveland and near The Mitre.</li> </ul> <p>A member of the public asked whether the speed limit along Witham Road could be reduced to 20mph to control speeding but the County Councillor explained that it would not have the desired outcome.</p> <p>The Chairman ended the presentation by thanking County Cllr Bass and the attendees.</p>
<b>16A/06</b>	<p><b>Questions from the Public</b></p> <p>There were no further questions.</p>
<b>16A/07</b>	<p><b>Close of Assembly 10.07pm</b></p>
